

A Highways England notification

A303 Winterbourne Stoke to Yarnbury Castle resurfacing 4 to 21 May 2021

Highways England operates, maintains and improves England's motorways and major A roads.

The A303 surfacing, lining and studs between Winterbourne Stoke and Yarnbury Castle have reached the end of their design life and need to be replaced.

Work will be carried out overnight Monday to Friday only, between the hours of 8pm in the evening and 6am the following morning.

4 to 7 May eastbound only, A303 Deptford to Longbarrow roundabouts, a convoy system will be in place and Wyle Depot on/off slips and Deptford off slip will be closed.

10 to 21 May A303 closed between Deptford and Longbarrow roundabouts. Locally signed diversion routes will be in place, please see overleaf for details.

Diversions:

- High sided vehicles will be diverted via A36, B390, A360 and the A30.
- All other vehicles will be diverted via the A360 and A30.

Residents of Winterbourne Stoke please access via B3083 and show a copy/photograph of this postcard to our gatemen who will escort you through the works.

We would encourage all road users to stick to the officially signed diversion routes.

Please accept our apologies in advance for any inconvenience which may be caused.

We always aim to work to programme, however unforeseen circumstances or adverse weather conditions may mean changes. We'll keep you updated via advance roadside warning signs.
