FINANCIAL AND OPERATIONAL RISK ASSESSMENT 2021/22

1. The greatest risk facing a local authority is not being able to deliver the activities or services expected by the electorate; so, in order to develop a Financial & Operational Risk assessment we have to define what activities or services Winterbourne Stoke Parish Council is expected to deliver. The following are deliverables:
 - a. A quorate Parish Council representing the Parish to higher level authorities (local area board, Wiltshire Council etc).
 - b. A serviceable and safe play park.
 - c. Financial probity of the precept with all spending fully auditable, authorised and for the benefit of the Parish.
 - d. The ability to recover up-front expenditure prior to an insurance claim.
 - e. The ability to recover ad hoc election expenditure.
2. Considering the above, the risks and controls are:
 - a. The Parish Council consists of five councillors, the quorum is three councillors; these numbers can be maintained using co-opted members. In extremis the Parish Council could become a Parish Meeting which only necessitates a Chairman and the Clerk.
 - b. The main risk to the play park is the lack of funds to replace worn-out equipment. The majority of equipment is fairly robust and made of metal so will have a significant life span; however, accruing funds to replace equipment must be considered because the cost of replacement equipment would be prohibitive without grant funding which would probably require matched funding from the Parish council.
 - c. The Parish Council will retain its financial integrity provided it continues to have two signatories for cheques, the Clerk controls the issuing of cheques, all transactions are with cheques (not cash) and all spending is as the result of a bill/invoice.
 - d. The Parish Council will ring-fence £2,000 to cover the cost of an ad hoc election.
 - e. In addition to the amount in Paragraph 2d the Parish Council will endeavour to retain a positive bank balance of one year's routine expenditure to cover unforeseen financial eventualities.
