

A National Highways notification

A303 Longbarrow roundabout to Countess roundabout maintenance works 25 to 30 October 2021 – overnight closure 8pm to 4am

National Highways operates, maintains and improves England's motorways and major A roads.

We need to carry out general maintenance on this stretch of road. Works will include pot hole repair, drain maintenance, vegetation clearance, sign repair and survey works. We'll be carrying out multiple tasks at various locations and where possible we'll complete noisiest works before 11pm.

Access for residents will be maintained but may involve a short delay depending on our stage of work. Please show a copy of this postcard to our gatemen who will escort you through the works if necessary. **Access to service stations** will be maintained via local roads. Please accept our apologies in advance for any disruption which may be caused.

Traffic management

For the safety of our workforce the A303 between Longbarrow and Countess roundabouts will be closed from 8pm in the evening to 4am the following morning. Locally signed diversions will be in place for through traffic.

We'll make every effort to ensure the impact on the local community and travelling public is kept to a minimum. We always aim to work to the programme, however unforeseen circumstances or adverse weather conditions may mean changes.

If you would like further information about this work, please contact National Highways Customer Contact Centre on [0300 123 5000](tel:03001235000) open 24/7, who will direct your enquiry to the most appropriate person, or email: info@highwaysengland.co.uk

*As of 20 August 2021, Highways England has been renamed **National Highways**. The name change reflects the role of the strategic road network – to connect the nations regions – and the part it plays in setting Highways standards across the UK. The remit of the organisation has not changed and we will continue to operate and maintain England's motorways and A roads.*
