

Autumn and Harvest Festivities

With the changing of the season, traditionally it has been a time to celebrate autumn and bring home the harvest. You are invited to join the village festivities of bringing the harvest home and celebrating your growing success throughout the year. This will be held at the new village hub, located in St Peter's Church.

Saturday 23rd October

Kids' Craft Workshop – 1.00-3.00pm

Have a go at autumnal crafts, making corn dollies, bread animals and hand-print leaves. Please pre-book on this email winterbournestokevps@gmail.com so we know how many to cater for. Refreshments and a snack will be available.

Harvest Gallery

Many people have been growing their own fruit and vegetables. Bring a photo of your success or failures or just you having fun and pin it on the notice board at the village hub (located within the Church).

The Village Autumn Festival – 6.00-7.30pm

Saturday evening buffet. Bring a plate of your favourite food to share (sausage rolls, cheese, bread etc). It could even be with an autumnal theme eg pumpkin or apple pie. Mulled cider, wine and soft drinks will be available.

Sunday 24th October

Harvest Festival

The weekend will be rounded off by a Family Service at the church at 9.30am.
